### Forms Testing:

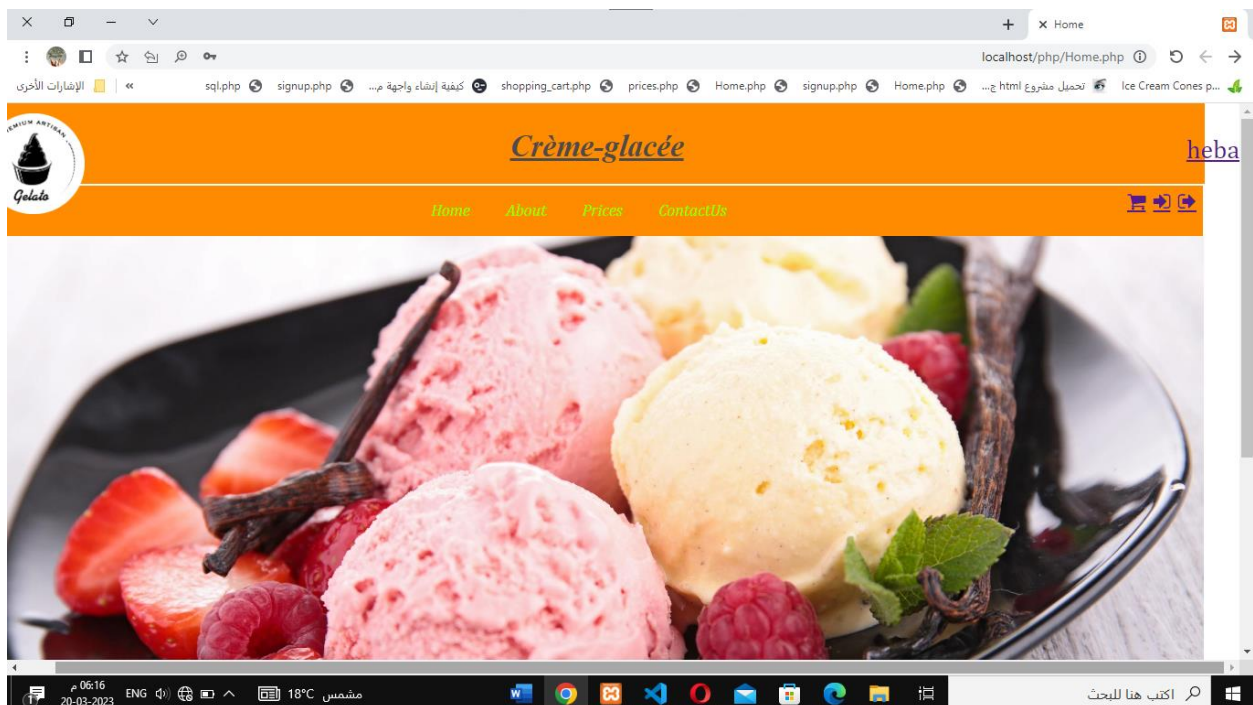

نموذج تسجيل الدخول: يسمح للمستخدمين المسجلين فقط بتسجيل الدخول و استخدام الموقع.

The screenshot shows a web browser window displaying the login page of a website named "Crème-glacée". The browser's address bar shows the URL "localhost/php/login.php". The website's header is orange and features a logo on the left and navigation links (Home, About, Prices, ContactUs) in the center. The main content area is grey and contains a login form with the following elements:

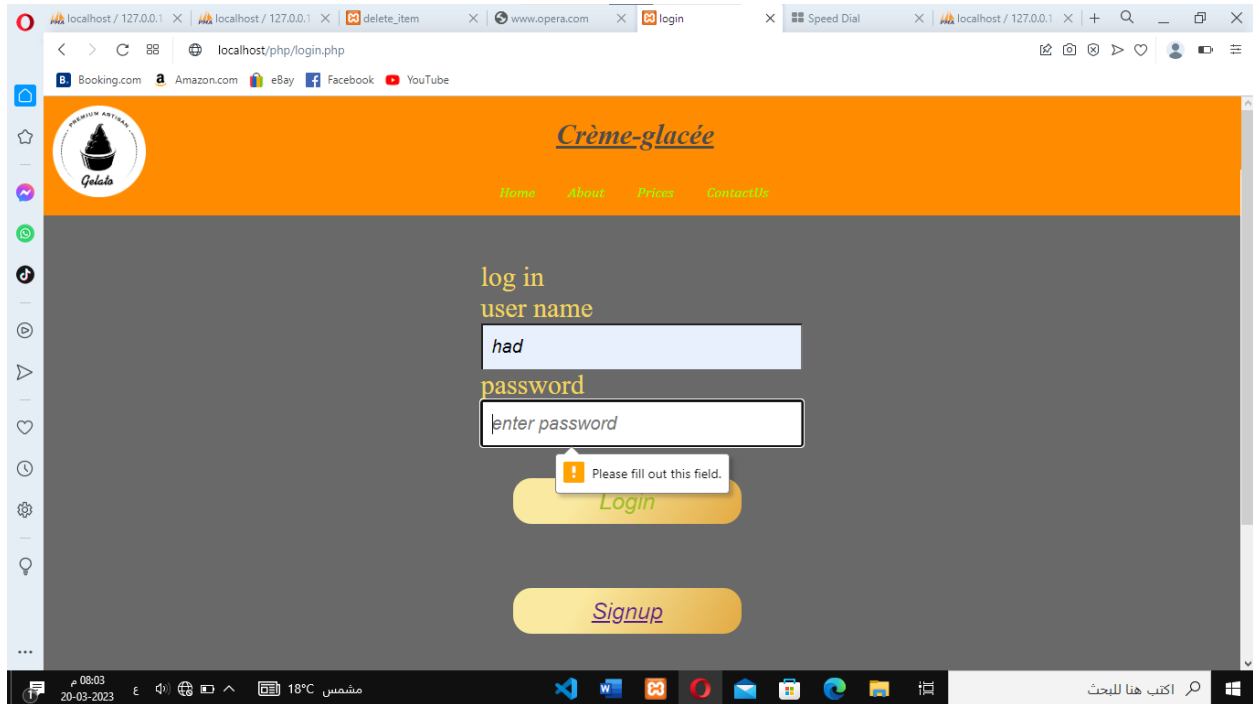

- A "log in" heading.
- A label "user name" above a text input field containing the placeholder text "enter user name".
- A label "password" above a text input field containing the placeholder text "enter password".
- A yellow "Login" button.

The Windows taskbar at the bottom shows the time as 06:15 on 20-03-2023, the language as ENG, and various application icons.
